DROP-IN CLASS DESCRIPTIONS

GENTLE YOGA CLASSES•

These are slower paced, so they are especially appropriate if you are new to yoga or are feeling like a lower energy class. The postures offered require light, sometimes moderate, physical exertion and are suited for a mindful paced practice.

ACTIVE YOGA CLASSES••

In these classes, you will dive deeper into postures using a non-aggressive approach at a modest pace that will leave time to refine alignment. You can expect some gentle and some more challenging practices.

VIGOROUS YOGA CLASSES•••

Our most physically challenging classes. These move at a faster pace and include cardio-infused powerful sequences. You don't have to be a master of advanced yoga poses to take these classes, but you ought to have a desire to try them out.

COMMUNITY CLASS This class runs the last Monday of February, April, June, August, October, and December. It is designed to give teachers who are new to teaching or new to the studio a platform to showcase their gifts in a welcoming, safe, and constructive environment. Proceeds collected at this class are donated to the teacher's charity of choice.

MASTERCLASS This class runs the last Monday of January, March, May, July, September, and November. It is an in-depth study on a different subject each month from some of our most experienced yoga teachers. For a detailed description of what the chosen topic will be, visit our website, email or call us, or drop by the studio during our office hours.

STABILITY BALL YOGA Yoga using an exercise ball to help improve balance and flexibility. The ball is a great way to get extra support for moves that require endurance and are also effective for getting back into shape after an injury because they can reduce muscle and spinal strain. PLEASE BRING YOUR OWN BALL.

UNION BARRE A low-impact workout that fuses yoga poses, breath work, isometric ballet-inspired conditioning, and meditation. Perfect for people who want to cultivate strength, a greater sense of presence, a mind-body connection, power, and peace. No experience, ballet shoes, or tutu required!

UNION RECOVERY A deeply soothing and meditative practice where you can slow down, develop inner stillness, release, and renew. An aromatherapy blend will be diffused in the studio and/or massaged during class for added calming effects and tension release. PLEASE BRING A TOWEL AND SOCKS.
